East Challow Parish Council – Annual Governance Statement

Explanation for No to boxes 5 and 7.

With regards to the NO responses in section 1 I comment as follows:

East Challow Parish Council has been operating with only 4 parish councillors. For a few months we dropped to 3.

There has been pressure on councillors due to the involvement with issues caused by the planning process of recent housing development in the parish. This has meant that other parish matters have not received due attention.

**Cllr V A Bosely,
Chair, East Challow Parish Council**
