Bishop of Oxford letter cont

I believe that the Christian faith and the Christian church will become ever more central in the life of our nation and the world in the 21<sup>st</sup> Century as people seek again for meaning, for values, for purpose and for hope.

God has called the Church to be a community of mercy and kindness, reflecting the nature of Jesus Christ and telling the good news of his love. Together we are called to be a community of missionary disciples: faithful, united, hopeful, creative and rejoicing in God's grace.

I look forward very much to meeting you, to knowing you and being known and to working with you,

In Christ Steven Oxford

Dear Friends and Colleagues,

Thank you for your various messages of welcome and for your prayers following the announcement of my nomination as the Bishop of Oxford. It’s an enormous honour and privilege to be appointed to this role and I look forward very much to serving the communities of Berkshire, Buckinghamshire and Oxfordshire in the coming years. My Confirmation of Election as Bishop of Oxford will be held on 6<sup>th</sup> July. I am due to pay homage to Her Majesty the Queen later in July and resume my place in the House of Lords. I will continue to meet with the senior team in Oxford and plan for the autumn.

Ann and I hope to move to the new See House in Kidlington at the end of August and I will be working to a normal diary in the diocese from early September. My inauguration is set for Friday 30<sup>th</sup> September in the Cathedral. There will then be four Welcome Eucharists at which I will preside and preach, one for each Archdeaconry:

Dorchester	9 <sup>th</sup> October 2016	Sunday	15.30	Dorchester Abbey
Oxford	12 <sup>th</sup> October 2016	Wednesday	19.30	Church of the Holy Family Blackbird Leys

I would like to meet as many people as possible over the first few weeks in post so please put one of these dates in your diary and I look forward to seeing you there. I hope to visit the parish clergy of the Oxford Area in October and November. I am also planning a series of Deanery Days from November to July to begin to get to know and to listen to the whole Diocese. During those visits I look forward to engaging with lay people and clergy and getting to know the wider community as well as the church. I also look forward to being out and about across the whole Diocese Sunday by Sunday.

You can discover something about me in advance from the Diocesan website, should you wish to do so. I was formed as a parish priest in Halifax. I was shaped as a thinker and writer in Durham and through travelling the country as Archbishops’ Missioner. I have been forged as a Bishop in Sheffield and South Yorkshire, seeking to recall the Church here and elsewhere to the mission of God.

I’m conscious I will have a much to learn in my early years in Oxford. Please pray for me: for the gifts of humility, wisdom and gentleness for this new ministry. Pray in the words of the ordinal that my heart may daily be enlarged to love this great Diocese to which God has now called me.

I’m looking forward very much to working with Bishop Colin, Bishop Andrew and Bishop Alan in the coming years and with the rest of the senior team. I’m conscious that the Diocese owes a particular debt to Bishop Colin for his care and leadership during the long vacancy.

Based on the listening I have done so far, I will focus my ministry across the whole Diocese in three areas in the early years: on engagement with children, young people and young adults; on enabling lay discipleship in the world and on engaging with the poorest communities across the Diocese. These priorities are not a new Diocesan strategy. That may emerge over time. They are initial themes for my own engagement with the whole Diocese and I look forward to taking them forward with you.

# Vicar's Letter

Dear All!

We are counting down the days until all our worldly possessions will be put into brown boxes and shipped up the A34 to our new home in Hanney. My name is Alec and from September I will be moving into Hanney and I will be working with the Anglican churches in East Challow, Denchworth, Hanney and Grove, as the associate Vicar. We are currently living down in Thatcham where I am a Church of England curate, but we are about to switch the quiet waters of the Kennet and Avon Canal for the beautiful farmland of South Oxfordshire.

I am trying hard to avoid this sounding like a cross between a CV and a social media profile, but I just wanted to introduce myself with a few random facts; I have spent my life living in different parts of the South of England, my wife and I have four children and one cat, I enjoy watching movies but have never seen Game of Thrones, I have been involved in the church all my life and hope to spend more time out riding my bicycle once we have moved, than I currently do.

Change is never easy, and moving is one of the most stressful things that you can do, but as we are getting ready to move again, to say goodbye to old friends and to say hello to new ones. I am reminded of God’s words to Joshua in the Old Testament, as he is about to start a new role and move into a new place “Remember that I have commanded you to be determined and confident! Do not be afraid or discouraged, for I, the LORD your God, am with you wherever you go.”

Starting new things can be both exciting and scary. Whether it is starting a new school term, beginning a new project at work or working out what our new relationship with the EU and the wider world will be. I find great comfort in these words to Joshua that the Creator of the world wants to journey through life with us, through the rough and the smooth, and to not let the challenges and opportunities that we face in life get on top of us.

I am looking forward to settling into the Benefice of the Vale, finding my way around, getting to know people and seeing what God has in store for us in East Challow, Denchworth, Hanney and Grove over the coming years.

God bless Alec Gill

### Windmill Nursery East Challow

After thirty years of service to the pre-schoolers of East Challow and neighbourhood, it was very sad indeed to see the closure of Windmill Nursery at the end of last term as it proved impossible to replace their building which has become unfit for purpose and will in fact be demolished in October half term.

The nursery which began in the village hall before moving to share the school site has made provision which OFSTED always rated as “Good” for between 11-34 children a year, closing with 21 on roll. Ex-pupils sent their own children over time. On behalf of all those families, we would like to say a very sincere thank you to Mandy Perkins who has worked extremely hard for the past 27 yrs to run that provision, supported for the past 15 years by Emma Dawson. We wish Mandy every happiness in her retirement and Emma every success for her future career.

#### **CORNHILL LANE**

We are working to try and improve the situation on Cornhill Lane. We need to maintain a log of all complaints about the state of the lane and would like to remind you that if you have a complaint, please email the clerk or send a message via the Contact Us page on the website

(www.eastchallowpc.co.uk). We are working with the Green Lane Association (GLASS) with a view to implementing a voluntary restraint scheme, which will encourage motorised users to avoid using the lane when the ground is soft or wet. It is hoped that this will minimise damage to the lane. We will keep you updated with our progress.

#### **PARK FOOTPATH**

We are pleased to report the Park Footpath and Childrey Lane have now been cleared by members of the Community Payback scheme. They have worked very hard and we are delighted with the results.

#### **BUS SERVICES**

We have been working with Cllr Yvonne Constance to see what can be done to assist those residents who are now stranded as a result of the loss of the 38 Bus service. We have explored a number of options, but the best one we have found is a taxi-share service. Mr Meads has offered a very reasonable priced service for groups of 6 passengers. Mr Meads can be contacted on 07748886792.

#### **NEIGHBOURHOOD PLAN**

The Parish Council has decided to lead the development of a Neighbourhood Plan. We have completed a draft Area Designation which is currently being reviewed by the Vale, and we are arranging a meeting to establish a Steering Group who will have the responsibility of running the project. The date of the meeting will be published on the website. Please contact the Clerk or the Chair if you would like to take part.

#### **VACANCY FOR PARISH COUNCILLOR**

We still have a vacancy for a parish councillor. The Parish Council represents and serves the whole community of East Challow and is responsible for maintaining the local environment and amenities .If you are interested in joining the team please contact the clerk for more information.

### SEPD RECEPTION AT THE HOUSES OF PARLIAMENT – From Bryan Millar

On Wednesday 29<sup>th</sup> June, my wife and I attended a reception hosted by SSE at The Houses of Parliament. We had been invited as representatives of East Challow Parish Council. The event was staged to highlight the contributions being made to various communities by SSE through their SEPD Resilient Communities Fund.

On arrival we were treated to a light lunch with tea and coffee. Shortly after, Caroline Nokes, MP for Romsey and Southampton North introduced herself and made a short speech regarding SSE and the efforts they are making to engage with local communities by funding and aiding in a variety of projects including; the provision of rescue vehicles, flood defences, emergency weather kits, snow ploughs, back up power supplies and mobile radio equipment. This was followed by an introduction from Graham Keddy who explained a little more about the fund and the company's aims going forward to continue helping local communities improve their local emergency readiness.

We then had the chance to speak to a number of SSE staff members about some of the various projects they had been involved with in the last year. We also chatted with other Parish representatives from across the region who told us of the wide variety of support they had received. Many, like East Challow received small amounts to help with minor specific projects, whilst some received significant sums, and professional advice and assistance with such things as flood relief and defences.

We were then taken on a brief tour of the Houses of Parliament, and although a few areas were not accessible on that particular day it was both fascinating and informative. We finished the day by returning to the dining room where we met with our own local MP, Mr Ed Vaisey.

All in all it was a very interesting day and we came away with a number of ideas that we will pass on to the Parish Council.

### DEFIBRILLATOR

We have taken delivery of our defibrillator and have now received planning permission. It is hoped that the installation will take place in September.
