Taken as read

Matters arising from minutes

Mrs Woodley sent PCSO Howard Pack minutes of previous meeting keeping him up to date.

Chairman's report

Mr Tony Evans reported incidents of properties broken into in Wantage town and surrounding villages but nothing that he was aware of in East Challow

Election of officers

Mrs Woodley resigned from the post of secretary and co-ordinator

Any other business

As there were so few present and no one to take over as secretary it was decided to disband the committee and have no further meetings for the foreseeable future.

Mr Tony Evans and Mr Don Strange said they would like to continue as co-ordinators.

It was agreed to keep the neighbourhood watch signs where they were around the village.

Mrs Woodley will put a report in the Challow News informing residents of our decision and suggesting they register with the FREE crime alert for up to date info where we live by Email, phone or txt on 101.

They may perhaps need to contact their home insurers informing them we are no longer a fully active neighbourhood watch. That could affect their insurance.

Date of next AGM

No further meetings arranged.
