## Vicar's Letter

Dear Friends

Have you ever been in a situation where you have no idea what you need to do or what's going on? We can feel helpless and afraid. It can be confusing and disorientating. Not many of us would choose to make ourselves so vulnerable that we would be totally dependent on others.

Yet, this exactly what God did. When Jesus was born over 2,000 years ago; God came into this world as a helpless child. He was born into poverty and grew up in a far-flung Roman province. God stepped into this world not with power and glory but wrapped in cloth and held in the arms of a young girl.

Christmas is a reminder of how much God loves us; Jesus came to earth as the Son of God to share our lives and to show us the way to live in a full relationship with God. It reminds us that God shows his strength and power through the vulnerability of coming to us as a child, who would grow to become a man that would live and die to transform each of our lives.

I hope that you have a good Christmas!

God bless,  
Alec

- Invest in a timer to open and close your curtains or turn on your lights or, better yet, ask a family member or neighbour to pop in and do it at random times of the day so a potential thief does not see an exact pattern.
- Dispose of boxes and rubbish discreetly. Leaving boxes outside will give away the fact that you have new and valuable items in the house.

## Rural Patrol

I have been involved in Hare Coursing Patrols in the Wantage and Faringdon areas and recently sighted 3 males in a silver 4x4 in fields near CHILDRY crossroads (B4507 Jct B4001), I was able to call up support from other officers and these persons were appropriately dealt with.

## Vulnerable Residents

With the advent of colder temperatures could I ask the Residents in the CHALLOWS to help me and the Neighbourhood Policing team by keeping an 'eye' on Vulnerable members of the Community, especially the elderly, and if you have any concerns please let us know via **101** or contact one of our Partnership Agencies eg. Local Councils, Social Services. Where we are notified of a possible vulnerable person we will contact them via a visit or telephone call and ensure they have the help they require.

### **Please use 101 to report any 'Non-Urgent' Crime related matters...Report it so that we know about it.**

If you'd like to receive FREE crime alerts and info about where you live by Email, Phone or Text then please contact me on 101 or when you see me on patrol and I will be happy to 'sign you up' alternatively please register at [www.thamesvalleyalert.co.uk](http://www.thamesvalleyalert.co.uk) and please use [www.thamesvalley.police.uk](http://www.thamesvalley.police.uk) to visit our Website.

### Crime prevention

#### Five top tips on personal safety for a crime-free Christmas:

- When Christmas shopping, be aware of how much you are carrying with you. iPods, digital cameras, mobile phones and extra cash to buy presents mean you could be the ideal target for thieves.
- When you are out and about at Christmas, don't leave your bag unattended. Keep your purse safe in an internal pocket, and don't carry your PIN number with you.
- Don't leave your drink unattended. It takes a matter of seconds for someone to tamper with your drink.
- Have you ever considered getting a personal safety alarm? Don't allow threats of crime to intimidate you into never going anywhere alone. Just be aware of what's going on around you and be confident that you can keep safe.
- Plan your journey home. If you use a taxi, ensure it is registered. If you have to walk home, try and walk with a friend, stick to well lit and busy streets, and make sure someone knows the route you are taking.

#### Five top tips on home security for a crime-free Christmas:

- Property-mark presents and valuables with your postcode, house number or name, then register on the Immobilise website ([www.immobilise.com](http://www.immobilise.com)) Make a note of all model numbers and serial numbers of all electrical items.
- Keep presents out of view - placing presents in plain view of windows will only draw attention to your house and its contents.
- Be cautious when using social media such as Facebook - do you really want to advertise that your home is empty by showing you are somewhere else or having a countdown to your holiday?

**'BURKE AND HARE'**

1828 Edinburgh, William Burke and William Hare, discover a money making scheme more lucrative than hosting lodgers. In the leading city for medical research, there's a huge demand for bodies and an inconveniently low number of deaths. A new black comedy that is as hysterical as it is historical, three actors tell the true story of the prolific duo.

Price £12 each.

## EAST CHALLOW NEIGHBOURHOOD PLAN

### Have you looked at the results of your Community Survey?

The results are on the Parish Council website for you to view at any time. They include findings from respondents such as:-

- *The most valued things about living in East Challow are the village's setting in a rural landscape, and the ease of access to the countryside.*
- *Nearly 60% would like to board a bus at The Goodlake Arms (as was).*
- *Over 40% have lived in the village for more than 15 years.*
- *Nearly 40% are in favour of further substantial housing development in the village if this would mean improved village facilities or infrastructure.*

### Future Housing Developments

There are currently 367 dwellings in our parish. Planning approval has already been granted for a further 128 dwellings at Park Farm and Challow Park.

As reported in the survey questionnaire, property developer Dandara proposes a development of 750 new houses on land to the east of Woodhill Lane and contend that this would finance construction of the proposed Western Relief by-pass of the village. Dandara have offered to present the details of their proposals to the village in the near future and this will be publicised as soon as we have a date. The Neighbourhood Plan Steering Group does not have a preference for or against the development, but villagers are encouraged to consider the proposals and make their views known.

### Help still needed with Document Preparation

Unfortunately we have, as yet, had no offers of help with formatting perhaps 60 pages of text, photos, plans and tables in Microsoft Word. We still need a volunteer who can take on the task of compiling this document from text and material provided by others. Can you do this job for the village?

If you would like more information or are interested in getting involved in any way, please contact Peter Rumsey (Chair, NP Team) on 07580 291258

Please come to

### EAST CHALLOW VILLAGE HALL COMMITTEE

Could you possibly spare about an hour a month to support the village hall?

The size of our friendly committee is dwindling and we would welcome more members to bring their input and lend a helping hand. We meet once every two months and most members take on a small task between meetings. Tasks vary from typing up minutes to being at the hall to let in an electrician or plumber.

We would be REALLY grateful for any support, so please contact Emmaf-reebairn@aol.com if you could offer up a small amount of time.

THANK YOU

### East Challow Neighbourhood Watch

#### East Challow Neighbourhood Watch AGM 7<sup>th</sup> November 2017

Mrs Woodley resigned as secretary and co-ordinator for the Neighbourhood Watch and as there was no-one willing or able to take over, and lack of residents support, it was decided to have no further meetings for the foreseeable future.

Other co-ordinators in our village are happy to continue their role and we will keep the NW signs erected.

Can we suggest, if you are not already registered, you sign up to the FREE crime alert where you can get up to date information relevant to our area either by Email, phone or txt. For that just call 101.

Can we also suggest you contact your home insurers to check if it will affect your insurance as we are no longer an active neighbourhood watch.
