Reluctantly, due to lack of space, East Challow Parish Council now only accepts burial of residents. Consideration will be given to burial of those with a strong local connection on an individual basis, please contact the Clerk.

The Parish Council makes no charge for the burial of infants/children up to and including 12 years.

Kerbing around graves is not allowed in either the Vicarage Hill or Canal Way Cemeteries. However, existing kerbs in Vicarage Hill Cemetery will not be required to be removed.

Headstones must not be erected for a minimum of six months after interment to allow for settlement.

The Parish Council permits only stonemasons registered with the British Register of Accredited Memorial Masons to supply and install memorials at the cemetery. Stonemasons not on the register will not be permitted to supply and install.

Please contact the Parish Clerk for the list prior to making arrangements for a memorial.
