REPORT TO PARISH COUNCILS OCTOBER 2023 FROM CLLR Yvonne Constance

GENERAL OCC REPORT

DAMNING OFSTED/CQC REPORT ON CHILDREN'S SEND SERVICES

Oxfordshire's local area partnership (LAP) has apologised to families and committed to significant change to improve support for children and young people with special educational needs and disabilities (SEND) following an inspection of services by Ofsted and the Care Quality Commission in July. Inspectors identified that there are widespread systemic failings across the local area partnership leading to significant concerns about the experiences and outcomes of children and young people with SEND, which must be urgently addressed. The LAP is made up of Oxfordshire County Council and NHS Buckinghamshire, Oxfordshire and Berkshire West (BOB) Integrated Care Board (ICB) who are jointly responsible for the planning and commissioning of services (across education, health and social care) for children and young people with SEND in Oxfordshire. The partnership also includes Oxford Health NHS Foundation Trust and Oxford University Hospitals NHS Foundation Trust. Angry parents called for the OCC Cabinet Member for Children's Services to resign, but this has now been overtaken by events (see below). The Conservative Opposition has called a special meeting of Full Council to debate the issue. This will take place on October 13th.

COALITION RUNNING OCC COLLAPSES AND COUNCILLOR RESIGNS LABOUR WHIP

The Fair Deal Alliance of Liberal Democrats, Labour, and Green parties, which had run the council since 2021, was shattered in September when Labour pulled out of the coalition. Following the turmoil, senior Labour figures have claimed there were difficulties from the very start of the coalition and that a 'long sequence of events' had shaken the party's faith in the alliance. The Oxford Mail has reported that Council leader Liz Leffman dismissed Labour's claims as "self-justifying nonsense" and said the party "could have broken the agreement at any stage" if it was uncomfortable with the alliance. The Mail added that in an email to Labour members on Tuesday, Cllr Michael O'Connor, the secretary of the Oxfordshire County Labour Group, explained the reasons for the party's dramatic departure. He said "Over the last two years, our efforts to transform services and improve outcomes for residents have been persistently watered down by the Liberal Democrats and the Green party. From day one, the Liberal Democrats have been plagued by infighting. Cllr Leffman has been repeatedly challenged from within her own party, resulting in weak and indecisive leadership. A lack of any political agenda means that council time has been prioritised for political posturing." County Councillor Damian Haywood has resigned from the Labour Party over the issue and will sit as an independent.

NEW CABINET

The Liberal Democrats and Greens have announced they will try and run the council as a minority administration. The make-up of the new Cabinet has yet to be announced.

OXFORD LTNS AFFECTING 'TEACHER RECRUITMENT' - REPORT

Oxford's low traffic neighbourhoods (LTNs) are among the factors making it difficult to recruit and retain teachers, a report has found. The Oxfordshire Education Commission said the scheme, along with other transport issues and the cost of living and housing, was "fuelling recruitment and retention issues in Oxfordshire." Teacher vacancies in the county are more than double the national average, according to Department for Education figures.

GOVERNMENT AWARDS OCC £250,000 FOR 'SMART STREET POSTS' SCHEME

The Government has awarded OCC £250,000 funding to test smart street posts that can house electric vehicle (EV) charging hubs, boost wireless coverage (including 5G), monitor air quality and display public information. The money is coming from the Government's Smart Infrastructure Pilots Programme (SIPP) and the amount awarded will be matched by the authority itself to create a total investment of £500,000.

EXTENDED TIMETABLE FOR CLOSURE OF OXFORD'S BOTLEY ROAD

Network Rail has informed OCC that it will no longer be able to reopen Oxford's Botley Road at the end of October 2023, as previously planned. Due to complications experienced during its £161 million redevelopment of Oxford Station, Network Rail has requested that Botley Road remain closed to through traffic until the project is completed in October 2024. The original plan was to reopen the road at the end of next month when utility diversion work was due to be completed, and then close it again to through traffic from March - October 2024 for highway work and the replacement of Botley railway bridge. However, Network Rail has not been able to keep to this schedule due to problems caused by the discovery of an inverted brick arch under the surface, which stretches beneath the railway bridge.

RELEASE OF £1.55M DEVELOPMENT FUNDS FOR EXPANDED ZERO EMISSION ZONE

At the Cabinet meeting on 19th September, Cabinet agreed to progress to the second phase of the expanded Oxford City Zero Emissions Zone Scheme project – detailed work needs to be undertaken to forecast the scheme's potential benefits, impacts and scheme design. The approved budget for the development work £1.55m. The actual implementation of the scheme has been delayed by the Botley Road closure referred to above and there are calls from the Conservative Opposition to scrap the scheme, or at least put it on hold.

SECONDARY SCHOOL APPLICATION PROCESS OPENS IN OXFORDSHIRE

Parents and carers can now apply for their Year 6 child to attend a secondary school for September 2024. Applications should be submitted online by 31 October 2023 at oxfordshire.gov.uk/secondaryadmissions

Parents and carers will be contacted with the result of their application on national offer day, 1 March 2024.

UPDATE ON RAAC IN A SMALL NUMBER OF ACADEMIES IN OXFORDSHIRE

OCC has confirmed that none of the schools it runs is affected by the current RAAC (Reinforced autoclaved aerated concrete) issue that has been prominent in the national news. Only one Oxfordshire secondary school is a local authority maintained school and around half of primary schools in the county are now academies. These schools are therefore run independently of the council and managed by the Regional Schools Director/Department for Education. OCC has been kept informed by a small number of academies in the county who do have RAAC issues but who have each come up with arrangements to ensure that children continue to be educated.

OXFORD UNITED STADIUM BID TO PROCEED

Proposals for council-owned land to be leased to Oxford United FC to build a new stadium near Kidlington have been approved by Cabinet. The club now has to submit a planning application to Cherwell District Council

Add your parish specific report here.

District Councillor Report for East Challow Parish Council October 11th 2023

Community bus service

An e-survey has just been sent out to the Parish websites/newsletters etc. to gauge opinion, likely use and preferred destinations. OCC are also now exploring a reinstatement of a limited service of the old 57 route covering our villages west of Wantage and this has been put out to tender. Fingers crossed. In addition, at the recent meeting of Childrey Parish Council, Andrew Holding of the Wantage and Grove Station Supporters Group presented a good case for a Taxishare scheme which might also be supported by OCC and would start at Childrey include the Letcombes and East Challow. He is following this up, including exploring a key issue of whether it might be possible to use bus passes. I will keep you updated on both these issues but some good news is coming for the restoration of a community bust service.

Wantage Hospital

I have updated you on the continuing discussions about the future of Wantage Hospital. There is now an opportunity for the public to have a discussion with the NHS (Oxford Health NHS Trust and The BOB [West Berks, Oxfordshire and Bucks] ICS [Integrated Care System]). There will be public engagement events at The Beacon on Wednesday 11th October 12.30-14.00 and Tuesday 17th October 15.00-16.30. Please attend if you want to have an input.

Roads, drains and weeds!

We are expecting a visit from Andrew Gant, the county councillor with responsibility for highways, to this ward in the next few weeks. Apart from the state of the roads generally and several roads specifically, I am anxious to talk to hm about (i) the road drainage in several villages, and (ii) the gradual encroachment of weeds along the roadsides and pavements in most of our villages. It will be important to speak to Andrew Gant because Highways have responded to me about the encroachment of weeds on the highways (Including the pavement) with the advice "Please put it on FixMyStreet"!!!!!!

Plans for Abingdon reservoir continue despite local objections (from VOWHDC Communications)

Plans for an expanded controversial reservoir near Abingdon have again been criticised by local communities, with Vale of White Horse District Council urging water providers to consider alternative solutions.

The council has reaffirmed its objections to the reservoir in a formal letter to Thames Water following submission of their revised Draft Water Resources Management Plan (WRMP) to government. The alliance of the six water companies in the Southeast (Water Resources Southeast or WRSE) also submitted its revised draft Water Resources South East regional plan to government at the same time.

The draft WRMP not only progresses plans for the reservoir, known as the South East Strategic Reservoir Option (SESRO), but proposed to increase the capacity by 50% from 100Mm³ to 150Mm³!!! Meanwhile, the proposed Severn to Thames Water transfer has been downgraded as an option.

The council argues that the plans fail to consider fully the long-term impacts to the local community and the environment, both during a decade of construction and the irreparable damage to the countryside.

A reservoir would also come at the expense of significant carbon emissions which the council argues would impact the district's ability to become carbon neutral by 2045.

Clearly. The Vale and County Council continue their objections.

The revised draft Water Resources Management Plan will now be reviewed by Government and, if endorsed, will be finalised and published in 2024.

Thames Water will continue with the development of their SESRO project, focusing on environmental data collection and ground investigation surveys over the coming months, with engagement and updates to stakeholders to be held in Autumn this year.

Cllr Dr Paul Barrow Ridgeway Ward Vale of White Horse District Council October 3rd 2023

Title	Finance 2023/2024 & 2024/2025				
Authors	Responsible Financial Officer				
Meeting	East Challow Parish Council Meeting – 11 th October 2023				

10. Finance 2023-2024

10.1. To note Barclays have closed our account, sending a cheque for the outstanding balance.

Barclays stated that they has been in contact to verify contact details and no information had been forthcoming, therefore the account was closed and a cheque was sent for the outstanding balance.

10.2. To approve not closing the Co-operative account yet and use the cheque from the account closure of the Barclays account as the opening balance at Unity Trust.

Prior decision of the council was to close the Co-operative account, and keep Barclays, due to the current issues, propose keeping co-operative until a new bank can be identified as suitable. To use the balance cheque from Barclays as the opening balance for the Unity Trust Account.

10.3. To approve the payments lists for October 2023

Total Staff Costs October: £786.03

All other October Payments:

Title	Water At the Cemetery
Authors	Member of Public
Meeting	East Challow Parish Council Meeting – 11 th October 2023

Several years ago we mentioned the need for a water supply for the cemetery to be put in. Our son has been buried there for seven years next month and there is still no supply unless you walk all the way round to the lych gate to collect and carry water back or bring your own in containers
